</body>
</html>
```

The screenshot shows a web browser window with a single tab titled "Registration Form". The address bar displays the URL "127.0.0.1:5500/index.html?". The browser's toolbar includes back, forward, and refresh buttons, along with a search bar and several extension icons. Below the toolbar, a row of bookmarks is visible, including "Import favourites", "YouTube", "Maps", "python", "SE IT Full - Google...", "e-Learning and Dat...", "S21223 - Google Dr...", and "Other favourites".

The main content area of the browser displays a "Registration Form" centered on the page. The form is a white box with a light gray border and a subtle drop shadow. It contains the following fields and elements:

- Registration Form**: The title of the form, displayed in bold black text.
- Name:**: A label followed by a text input field with the placeholder text "Enter your name".
- Email address:**: A label followed by a text input field with the placeholder text "Enter email".
- Password:**: A label followed by a text input field with the placeholder text "Enter password".
- Confirm Password:**: A label followed by a text input field with the placeholder text "Confirmpassword".
- Phone:**: A label followed by a text input field with the placeholder text "Enter phone number".
- Date of Birth:**: A label followed by a date input field with the placeholder text "dd-mm-yyyy" and a calendar icon on the right.
- Terms and Conditions:**: A checkbox followed by the text "I agree to the terms and conditions."
- Submit:**: A dark gray button with the text "Submit" in white.

The Windows taskbar is visible at the bottom of the screen, showing the Start button, a search bar with the text "Type here to search", and several application icons including Edge, File Explorer, Mail, Chrome, and Teams. The system tray on the right shows the date and time as "11-05-2023 00:58" and the weather as "28°C Clear".
